Name of the Technically Qualified Bidder	Evaluated Cost (PKR)	Rule/Regulations/SBD*/Policy/Basis for Rejection/Acceptance as per Rule 35 of PP Rules, 2004
Beyond Green (Private) Limited	Rs. 44,747,665/- (Forty-Four Million Seven Hundred Forty-Seven Thousand Six Hundred Sixty-Five Only)	The Evaluation Committee noted that the average cost of net-metering based solar PV system (including the consultancy fee for carrying out the detailed design & third-party verification of the supplied equipment / installed system) comes out to be approx. PKR 210 / watt based on the competitive bidding process conducted by PPIB for Public Sector Buildings. Whereas, the Bid offered by Beyond Green (Private) Limited is quite on a very high side i.e. PKR 330 / watt. Accordingly, the Evaluation Committee recommends to reject the Price Bid offered by Beyond Green (Private) Limited.
